

Doctor David Kipper / Collection of notes and texts

Sunday March 8 2015

09:49	<p>Dr Kipper texts JD: Hope your evening was a bit more comfortable. I enjoyed our time yesterday and sorry you are struggling. I know we can make you feel better. I will come by at 3 today for a visit.</p>	File 10; Tab 147(a), page O142	Timestamp: 3/7/2015 3:49:20 PM(UTC-8)
11:00	<p>JD texts Dr Kipper: Hi... Fucked, man... Had another one... I just cannot live like this... She is as full of shit as a Christmas Goose!!! I'm done. NO MORE...!!! The constant insults, the demeaning, belittling, most heartbreaking spew that is only released from a malicious, evil and vindictive cunt!!!! But, you know what... ?? FAR MORE hurtful than her venomous and degrading, endless "educational" ranting...??? Is her hideously and purposely hurtful tirades and her goddam shocking treatment of the man she was meant to love, above all... Here's the real deal, mate... Her obsession with herself.?? Is far more important... She is SO FUCKIN' AMBITIOUS!!! She's so desperate for success and fame... That's probably why I was acquired, mate...!! Although, she has HAMMERED me with what a sad old man, has been I am... Cowan has done me the most cruel of favors... I'm so very sad... I cut the top of my middle finger off... What should I do!?? Except, of course, go to a hospital... I'm so embarrassed for jumping into anything with her... FUCK THE WORLD!!! JD</p>	File 7, Tab 5(b), page H30.6	Timestamp: 3/7/2015 5:00:53 PM(UTC-8)
11:30	<p>Dr Kipper notes</p> <p>1130 – MD received a text msg from client that he had been arguing with wife and that he had cut his finger. According to patient his assistant and security were on there way to pick him up.</p> <p>New Med Order</p> <p>Augmentin 875 mg BID x10D</p>	File 4, Tab 137, page F844	Notes recorded as "3/7/15" but likely should be dated 8 th March 2015
13:00	<p>Dr Kipper notes</p> <p>1300 – Patient was having a hard time leaving the house so security suggested the MD and RN go to house to see patient. Doctor David Kipper / Collection of notes and texts

Sunday March 8 2015

23:30	<p>Dr Kipper notes</p> <p>1130 – Patient and staff returned from ER at 2130. Patient was seen by ER MD and hand specialists. Wound was cleaned and dressed and patient was given a tetanus shot L deltoid and given IV antibiotics. Discharge instructions were for patient to see hand specialists tomorrow to discuss possible treatment options for finger. Upon arrival back to apartment patient discussed feeling of anger and sadness about relationship. Patient was encouraged to stay away from wife as the relationship is toxic. Patient expressed verbal understanding and why they needed to separate. MD offered patient Valium 10mg IM to help with his anxiety and anger but patient refused. RN and MD suggested that patient take his bedtime meds and go to sleep and patient refused. Patient was talking about wanting to</p>	File 4, Tab 137, page F844 - 845	Notes recorded as “3/7/15” but likely should be dated 8 th March 2015
